

HOMEPAGE:

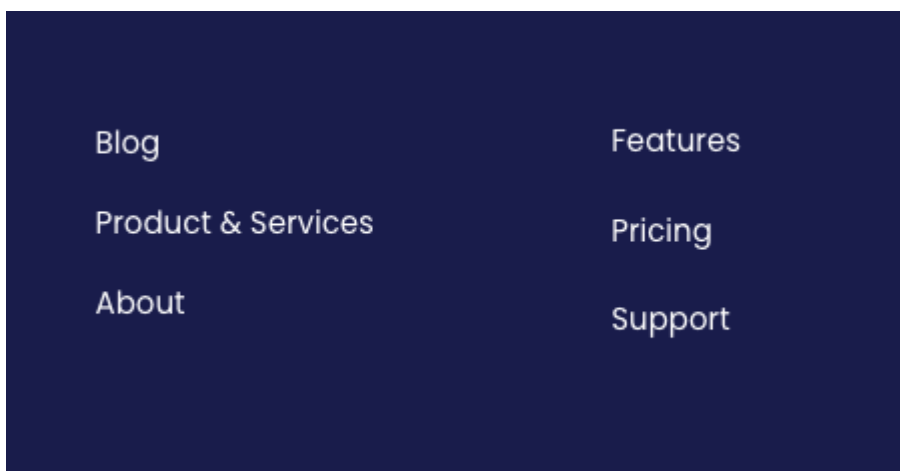

1. Favicon is missing

2. Change the master image to the attached appointment schedule image
3. Clinical notes image - replace the placeholder image with the attached image where the patient name is selected.

4. Hide the testimonial for now. We will be using in the near future once we have the client testimonial for use
5. Footer - Features, Pricing and Support are not hyperlinked. Pls link them to the right pages.

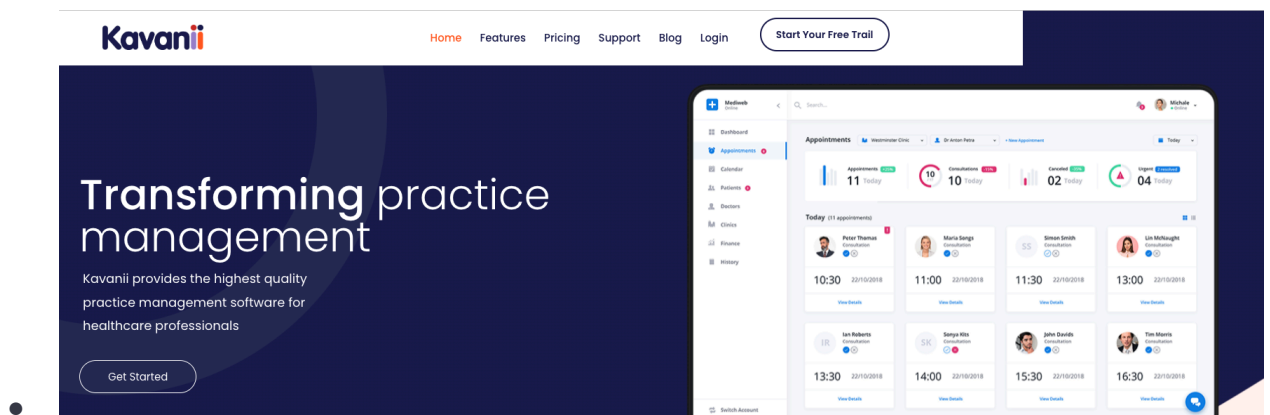

6. Reduce the space between contact us and footer
7. Change copyright at the bottom to "All rights reserved. (C) Kavanii 2024"

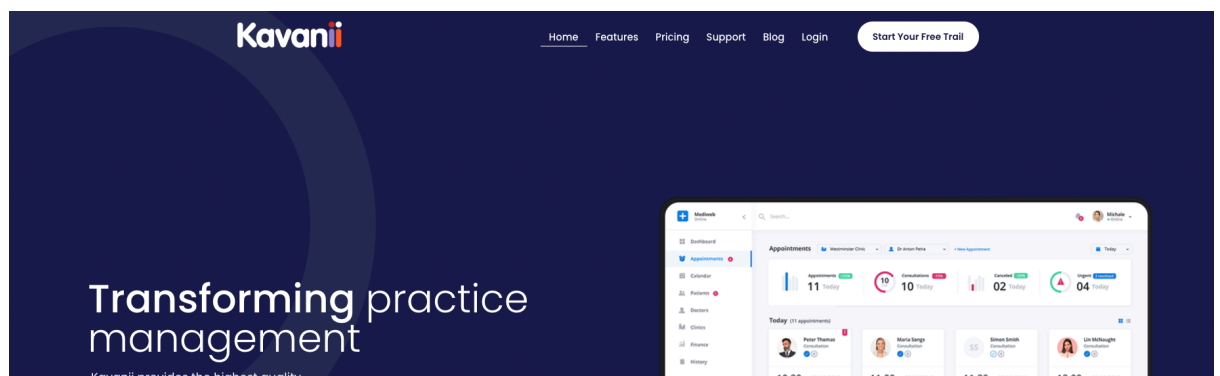

8. Add in the below Medicare logo with “medicare certified” somewhere at the bottom of the homepage

https://www.google.com/url?sa=i&url=https%3A%2F%2Fwww.healthyconnections.org.au%2Fliving-with-diabetes%2Fmedicare-logo%2F&psig=AOvVaw3_XR-kGXYKAvH5kRQyWbW7&ust=1709445798650000&source=images&cd=vfe&opi=89978449&ved=0CBMQjRxqFwoTCJDLk7z1IQDFQAAAAAdAAAAABAE

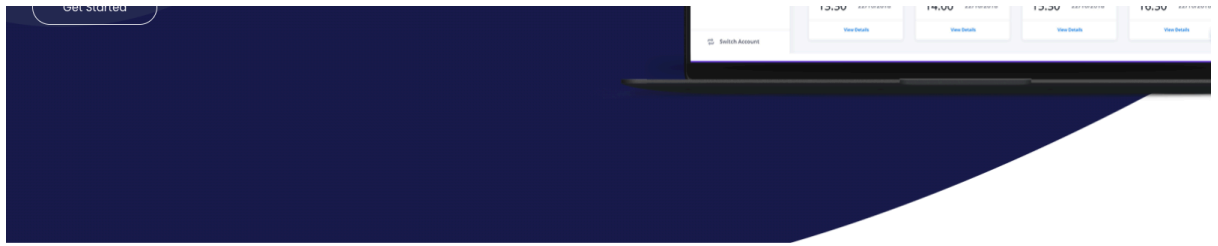

- Menu white background cuts down when open the website and go full screen in Chrome.

The gap between the header and the image seems too large in bigger screens. Please reduce. Same issue in few other places as well. (check all screenshots below)

And the same with the blow.

Make Your Practice Future-Proof and Boost Your Practice's Efficiency

Same with the below

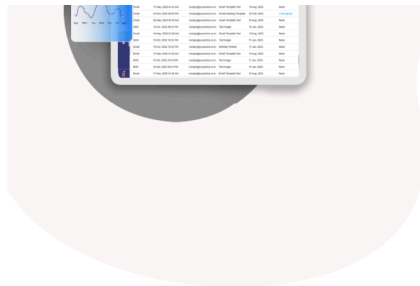

unique opportunity for medical practices to improve the way they manage themselves. We created a very high quality system that helps you track and manage everything related to your practice as quickly as possible.

Track all
the patient information

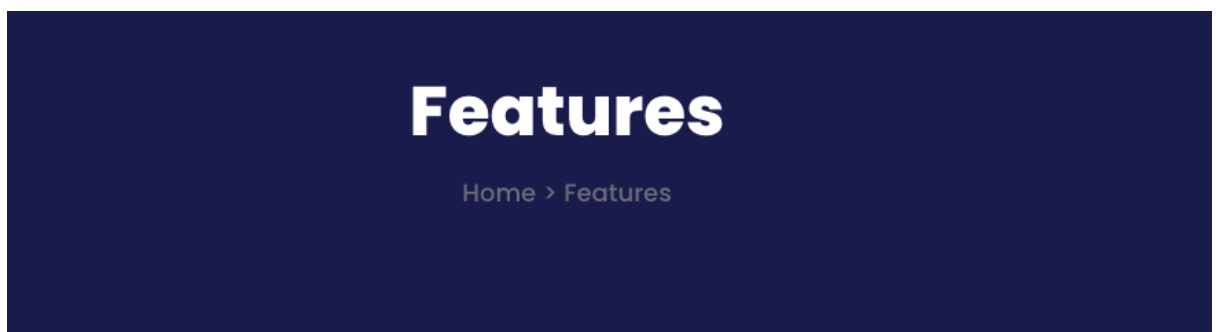

FEATURES PAGE:

1. Currently have only 7 of the 10 features from the original site. Please add the missing 3 of them. <https://kavanii.whyceeyes.com/#> (old site URL)
2. Order the future release section as below
 - i. tele
 - ii. mobile
 - iii. feedback

PRICING PAGE:

1. The client wants to add a text box to enter capture email above each subscribe button. Please make it mandatory before they click through to the subscription page. (so, if i click on the subscribe button without entering the email in the text box provided, it should stay in the same page and show “please enter the email to proceed”)
2. Remove the breadcrumbs in all sub pages (eg, Home > Features)

3. All sub pages header - looks plain. Could you please add in something like the round thing that comes in the homepage as the background image to add in the space instead of plain colour.

4. I see you have added only 9 tiles at the bottom. Please refer the below old site and add in the missing tiles. Please also add in FAQs in there as well.

<https://kavanii.whyceeyes.com/pricing/>

SUPPORT PAGE:

Create a third button 'Customer Portal' and Copy all of the things covered in this to our page and <https://kavanii.whyceeyes.com/customer-portal/>. If it is too big, move few of these questions under different topics.
